

Audrey McEntire

Two year Old Teacher

This is Audrey's first year at MMS. She is so excited to be working with your children at MMS this year! Children are her passion and she knew she wanted to work with them since she was 10 years old. From that time until now, she has worked with children of all ages in different capacities from babysitting, working in 2 year old classrooms and volunteering in other childcare positions. She also works in the church nursery on Sundays and Wednesday night childcare.

As a Christian, she understands the importance of teaching God's word and Biblical values to children in their formative year. It is a blessing to be a part of children's lives as they grow and change in each stage of their development. She is the oldest of 5 children in her family, and has been homeschooled most of my school years.

Although born in North Carolina, she grew up in Hong Kong and China before returning stateside in 2020.

Now that she is living in the Black Mountain area, she loves walking her dogs, doing jigsaw puzzles and reading historical fiction. She also loves watching movies, spending time by the creek and going on picnics
