

Margie Matthai

Floater

This will be Margie's 1st year at MMS, after working as a substitute teacher last year. She grew up in Cary, NC, until college brought Margie to the mountains of WNC. She graduated from UNC Asheville in 2010 and received a Bachelor's degree in Health and Wellness Promotions with a focus in Education. Since she was young, Margie has had a passion for working with children and caring for others.

Margie married her high school sweetheart, Jon, and together they have two children Emmy Jean (5), and Elliott (1.5).

She enjoys photography and spending time exploring the outdoors with her family. Her happy place is a warm summer Saturday, on a river rafting adventure with her husband and kids. Margie can not wait to share her enthusiasm for learning with your family.
